

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-944-9399 or visit www.hap.org. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>In-Network: \$2,500 self-only / \$5,000 family, not to exceed \$2,500 from any one person.</p> <p>Out-of-Network: \$5,400 self-only / \$10,800 family, not to exceed \$5,400 from any one person.</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care, certain office visits, 1st emergency room visit, urgent care, ambulance service, prescription drugs, vision hardware and routine eye exam are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services your plan covers.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>In-Network: \$7,350 self-only coverage / \$14,700 family coverage, not to exceed \$7,350 from any one person.</p> <p>Out-of-Network: None</p>	<p>The out of pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out of pocket limit until the overall family out of pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, Balance billing Charges, and Health Care this plan does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the out of pocket limit.</p>

Important Questions	Answers	Why This Matters:
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.hap.org or call 1-800-944-9399 for a list of network providers.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out of network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out of network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
